**Comments:** [required] \*\* [Include specific reason[s] for pended, denial, or withdrawal status]: The business verification for Alternative Residential Youth Resources, Inc. is being withdrawn due to the fact that the provider has failed to meet a National Accreditation benchmark. You may review Implementation Update #47 for the law regarding National Accreditation benchmarks. Per IU #47, a termination of a contract or Medicaid enrollment as a result of failure to meet a national accreditation benchmark is not appealable since these benchmarks are now the law in North Carolina.

Please be reminded that your agency, through its owners, officers and employees, is responsible for the documentation of any services provided. During future financial and/or record audits, monitoring and complaint reviews, if there are discrepancies, deficiencies and/or other items found that resulted in improper or unsupported payment for services provided, you will be expected to repay any amounts due. In addition, you are responsible for maintaining and safeguarding all the service records and financial records in your agency as outlined in the *Records Management and Documentation Manual for Providers of Publicly-Funded MH/DD/SA Services, CAP-MR/DD Services, and Local Management Entities [APSM 45-2]*, and in accordance with the requirements of the *DHHS Records Retention and Disposition Schedule for Grants* and the *Records Retention and Disposition Schedule for State and Area Facilities, Division Publication, APSM 10-3* in the event that a request for those records is made. If you foresee difficulty in maintaining these records in accordance with State and Federal requirements, please contact DMH Records Management and Documentation Division at 919-733-7011.

Endorsement and enrollment are separate processes. Once endorsed, it is the provider's responsibility to submit the NEA along with an application to the Division of Medical Assistance in order to be considered for enrollment in the NC Medicaid program. Providers are not permitted to deliver services prior to obtaining a Medicaid number and those who do are in violation of Medicaid policy.

Sincerely,
