Additional Comments Required (include reason for denial or withdrawal): Sylvia Groce is receiving an involuntary withdrawal of endorsement due to his failure to meet other conditions of participation with the Division of Medical Assistance. As of February 01, 2009, the provider failed to meet a National Accreditation Benchmark for CAP / MR-DD services. Specifically, the provider failed to comply with 122C-81 in that nine months prior to the accreditation deadline, formal selection of an accrediting agency as documented by a letter from the agency to the provider acknowledging the provider's selection of that accrediting agency was not demonstrated. A provider failing to meet this benchmark shall be prohibited from admitting new clients to service. When a provider fails to meet this benchmark, the LME shall work with the provider to transfer all the provider's entire case load to another provider within four months of the date of the provider's failure to meet the benchmark. The transfer of the case load shall be in increments such that not fewer than twenty-five percent (25%) of the provider's total caseload shall be transferred per month. The Department shall terminate the provider's enrollment in the Medicaid program within four months of the provider's failure to meet the benchmark.

A provider that has its enrollment terminated in the Medicaid program as a result of failure to meet benchmarks for national accreditation or failure to continue to be nationally accredited may not apply for re-enrollment in the Medicaid program for at least one year following its enrollment termination.

You have the right to appeal this decision.
