**Adult Mental Health
Crisis Services (AMCS)**

<p>Client Eligibility Criteria</p>	<p>Adult, 18 and over, who:</p> <ul style="list-style-type: none"> • is seeking or needing services for a current mental health problem or symptom, AND • who is not eligible for Medicaid AND • who has completed a current Screening/Triage/Referral interview and received an “Emergent” triage determination as defined below OR is currently enrolled in an eligible target population and is in need of crisis or emergency services beyond the capacity of the first responder provider. <p>Note: An individual who is eligible for Medicaid is <u>not</u> eligible for the crisis services target population, nor is an individual who is eligible for both Medicaid and IPRS services. The crisis services target population is limited to only those individuals who either:</p> <ul style="list-style-type: none"> a) have no IPRS target population eligibility, or b) have only IPRS target population eligibility but not Medicaid eligibility. <p>The purpose of the crisis services target population is to create a mechanism to reimburse a provider for crisis or emergency services to a non-Medicaid adult mental health consumer. The consumer may or may not meet eligibility requirements for any other IPRS target population but may <u>not</u> be eligible for Medicaid.</p> <p>Eligibility for the crisis services target population requires LME admission of consumer into the CDW through completion of the identifying information (Record 10 or 30), demographics (Record 11 or 31), and substance abuse (drug of choice) details (Record 17 or 37). These requirements imply that an open consumer record must be established.</p> <p>The LME may establish the initial eligibility period in the crisis services (AMCS) population group for up to fourteen (14) days. After the initial eligibility period, the consumer must be reassessed and determined to continue to be in need of crisis and emergency services to be considered for another fourteen (14) day eligibility period.</p> <p>*STR definition of “Emergent”: An individual’s need shall be categorized as “Emergent” when the individual presents a moderate or severe risk related to safety or supervision or is at moderate or severe risk of substance abuse withdrawal symptoms, or presents a mild, moderate, or severe risk of harm to self or others, or has severe incapacitation in one or more area(s) of physical, cognitive, or behavioral functioning related to mental health, developmental disabilities or substance abuse problems.</p>

<p>Utilization Management</p>	<p>Each LME must develop and implement crisis and emergency services delivery and authorization guidelines to ensure the prompt and efficient implementation of services to eligible Crisis Services (CS) consumers. This includes LME approved procedures for the authorization of 24 hour admissions to inpatient hospital, facility based crisis, and 24 hour detoxification programs. The division recommends that the LME review and authorize mobile crisis services after the delivery of the initial 16 units (4 hours) of this service.</p> <p>During regular hours of operation, the division recommends immediate notification of the LME by the crisis or emergency services provider for all 24 hour emergency admissions. Written notification regarding such emergency admissions is recommended to be provided to the LME within 24 hours in all circumstances.</p>
