

ACKNOWLEDGEMENTS

Thank you to all members of the Cultural Competency Task Force representing Guilford Center, the Department of Social Services, the Department of Public Health, Guilford County Human Resources Department, Guilford County Schools, Family Service of the Piedmont, SUCCESS, Greensboro Public Library, the Center for New North Carolinians and the Center for the Study of Social Issues at UNCG.

In particular, we would like to thank Sharon Glover who facilitated our work together and Bibba Dobyns, the System of Care Site Director, who supported this project throughout its development.

The idea for the *Kaleidoscope* emerged from conversations with persons at the Medical Center at the University of Chicago who wrote a *Cultural Tapestry* for their employees.

This publication was developed and printed with funding from a contract with the North Carolina Division of Mental Health, Developmental Disabilities and Substance Abuse Services, Child and Family Services, as a component of the NCFACES project, funded by a grant from the Center for Mental Health Services and by a cooperative agreement from the Center for Mental Health Services, Substance Abuse and Mental Health Services Administration, U.S. Department of Health and Human Services (1U79SM54966-01; *SAFE from Violence: Supporting, Advocating and Furthering the Education of Our Immigrant Youth.*)

Special thanks is extended to the residents of Guilford County who came here to live from other countries in the world and helped us to write the profile of their people for inclusion in the *Kaleidoscope*. They contributed generously in sharing their heritages and were the inspiration for this document. We dedicate this publication to them in hopes they will be well served in our human service agencies and our schools.

Fall, 2003
